Peace Dojo Basic Workshop

This weekend intensive workshop begins preparing prospective facilitators to set up a Peace Dojo in their organizations or neighborhoods.

It is the first step in certification as a Peace Dojo Facilitator and can lead to practicum, facilitator training and apprenticeship courses. It is a 24 hour experiential workshop on the “Peace Dojo.” It aims to present physical and verbal peacemaking as students will experience them through many exercises covering the topics of *Affirmation, Attention, Community and Transformation.*

The facilitators of this workshop are prepared to help those who complete the “*Certificate of Practice*” (issued by Urban Visions, Inc.) to establish their own Peace Dojos. Please feel free to call us with any questions.
